Dear Sirs and Madams,

Subject: **U.S. Application 10/556,026 preliminary amendments to the claims.**

Enclose to this letter are amendments to the claims for U.S. application number 10/566,026 named "OPTICAL COORDINATE INPUT DEVICE COMPRISING FEW ELEMENTS" (International application PCT/IL03/01021).  
This application was submitted by me in order to enter into the national stage.

These amendments will reduce the total claims to only 26.

I am submitting these amendments so I would not have to pay additional claim fees to the PTO. (These fees are detailed in your last 'Notification of Insufficient Fees' dated 11/06/07)

Sincerely,

Itzhak Baruch
